The Growing Tree

At the 1990 National Convention, the CDA membership voted to develop “The Growing Tree” at the National Headquarters listing the names of Courts, groups, or individuals on it’s branches. The tree’s branches became totally filled.

To fulfill requests to donate, the staff had installed on the wall, on either side of the tree, two additional features: a Memorial plaque and an Honorable Donor plaque.

A donation for a name on either plaque is \$100. The requirement for the Memorial plaque is name of the person is of someone deceased. Living donors, whether CDA members or not, may be listed on the Honorable Donor plaque.

You are allowed up to two (2) lines and fifteen (15) letters. Spaces should be counted as a letter.

Please make checks payable to the Catholic Daughters of the Americas. Send the check to the National Headquarters, 10 West 71st Street, New York, New York 10023.
