Worthy State Regents and Dear Friends,

It is time once again to send out Circle of Love Reporting Forms to your local courts.

Please open the attached document and fill in the proper State Chairman's name and her contact information. Then, save the document again and forward it, either by email (or print the pages and send by postal mail) to each of your local courts.

These forms are to be completed by the Local Chairmen and returned to the State Chairman so that you can make recognitions at your State Convention in the Spring.

Remember that there are NO NATIONAL RECOGNITIONS for Circle of Love in 2017, those are only done biennially at our National Convention.

Thank you for your continued commitment to Unity & Charity and to the Catholic Daughters of the Americas.

In Unity & Charity,

Helene Shepard
