

CDA Member Benefit Announcement – Health Coverage Assistance Now Available

An important message from Sherry Nilles, CDA National Regent

In today's challenging times, it is more important than ever to have quality health coverage you can count on. That's just one of the reasons I'm so pleased to announce that all Catholic Daughter members now have access to qualified agents to assist with choosing the right solution from a vast array of affordable Health Coverage options. Your health plan can be customized to your specific needs, you can compare options, and even get more than just one rate quote.

I encourage you to call today and find out the best options for you and your family.

Sherry

"Today more than ever, we must all do what we can to protect our health and wellness."

Here are some answers to questions you may have about the Health Coverage now available to you.

Q. Who helps CDA members find the right Health Coverage?

A. IHC Specialty Benefits is highly skilled in the Health Coverage arena, and they have earned our full endorsement for helping you find the best and most affordable coverage options for your needs. When you call, you'll receive exceptional personal service every step of the way. The Licensed Agents at IHCSB take the time to understand your needs, and answer every question you may have.

Q. Is there coverage available if I'm 65 or over and on Medicare?

A. Yes, if you're age 65 or older, you can select from affordable coverage that compliments Medicare or helps to fill in the gaps in Medicare, such as Medicare Advantage Plans, Medicare Supplement Plans, Part D coverage for prescriptions, and more.

Q. What about coverage for myself and my family if we are under age 65?

A. If you're under age 65 or not eligible for Medicare, you can consider a variety of affordable New Health Plan Options for every budget.

Q. What if I need health coverage for a shorter amount of time?

A. There are number of affordable Short-Term Health Coverage options if you are between jobs or need shorter-term options to help keep you and your family protected.

Q. Do I have to pay for this Health Coverage information or a quote for coverage?

A. No. There is absolutely no cost, and there is no obligation to purchase anything when you call for a quote and courteous assistance in finding an affordable plan that meets your needs.

Q. Can I apply by phone?

A. Yes, if you find a plan that is just right for you and wish to apply – you can do so right over the phone.

Q. Are there Health Coverage Options with COVID-19 Benefits?

A. Yes, many of the available options specifically include benefits related to COVID-19, such as testing, ER Visits and more. You can also find coverage for Telemedicine, Prescription Discounts, Dental Coverage, and more.
